NAZI WAR CRIMES DISCLOSURE ACT
DATE 2007

1. Reference is made to your request of 9 November 1962, that you be provided with a list of Polish immigrants who arrived in the United States between 2 September 1962 and 24 October 1962. Reference is also made to verbal report from this Office that Immigration and Naturalization Service files were not broken down sufficiently well to obtain names of the individual immigrants. At the same time, it was suggested that contact be made with the Polish Desk to obtain from Warsaw a list of all people who have received immigrant visas for the U. S. since 2 May 1962.

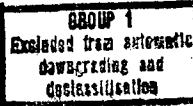

2. Since there are refugee-escapees who received their immigrant visas at places other than Poland, we have been able to obtain XEROX copies of the Refugee-Escapee IBM Cards of those Poles who arrived in September and October 1962 and were destined to New York, New York. These Cards are attached for your information and retention.

3. In the event that you desire to review one or more of the files of the subjects of the attached cards, please furnish full name, date of birth and the "A#" which appears at the top lefthand corner of the card.
